**See you at Tracy Gee on March 12!!**

Come to our next meeting, on Monday, Mar. 12, at 7:30 in Tracy Gee Center to hear about a member tour.

Director Robert Bullard and Elaine recently completed a very lengthy, fabulous trip in their 1931 Deluxe Fodor, Eleanor. They documented the almost 9,500 miles they drove in it last year and will share pictures and stories at the next meeting.

Come enjoy touring from your chair. They will take us from 13 states and into Canada from sea level to the top of Pike's Peak.
