

The purpose of the scavenger hunt is for a team of up to two people to collect as many items as possible in the allotted time while following all of the outlined rules. The teams will be given a list of items at 8:00am the morning of the event at the DeLoren Texas Yahoo group and the Texas DeLorean Club website at www.txdmc.org and will have until 3:30pm to collect as many items as possible. Items are grouped in different categories with point values assigned pending estimated difficulty to obtain.

Items will range from easy to find every day items to more difficult items to procure. There will also be items that are photo based (picture of your team member in a location, or with an item). Geographically, some items/locations may be all over Houston. It is up to the team to decide how far they would like to go to obtain items.

The scavenger hunt is a fun event and NOT a race. Personal and traffic safety must be obeyed at all times. It is not necessary to collect items for the full time available - start whenever you want so long as you are at DMC (Texas) by 3:30pm! ***100 point deduction for every 5 minutes your team arrives AFTER 3:30pm deadline***

Basic Rules:

- Total time allotted to obtain items in the scavenger hunt is between 8:00am and 3:30pm
- Event is rain or shine
- The team with the highest point value wins
- Each team must use only ONE copy of the list of items that will be maintained by the team captain
- No computer printed documents, posters, digitally altered images, etc. are allowed
- Max two people per team
- Items obtained can be owned, purchased, bartered, or borrowed
- Each item on the list will have a point value

During the Scavenger Hunt:

- Cell phones can used for communication among team members or calling references to find items
- Friends and family should ONLY be contacted as a reference to provide information or act as a resource to help find listed items.
- No friends or family may gather or procure items on behalf of the team. Only team members can gather and procure items
- Item must match description completely as stated if details are provided in listed description
- Items can not be gathered/borrowed from event coordinators
- Teams can not switch/add members or share items at any time
- Teams can not contact or communicate with opposing teams to coordinate finding items

Rules for finishing the event:

- You must have your digital camera/camera phone at the post event containing all photographs taken during the hunt
- In the event of a tie, a tie breaker will be issued by the judges to the team captains.
- Teams are responsible for removing all items gathered and brought to the post event party for judging.
- The points will be tallied at the conclusion of the hunt during the after hunt meeting at DMC (Texas)
- Judges have final say in which Items collected can be awarded points (based on meeting description and definition)
- A checkbox must be filled in next to each item collected on your list to make final judging easier. (see example)

#	Item Description	Category	Point Value	Got it?	Scorer Use Only
1	A mattress tag	Common Items	5		
2	Can of Spam	Common Items	5	X	
3	A chain of paper clips 10 feet in length	Common Items	5		

Sheet1
